# STRONG ADHESIVE. STRONG VALUE.

3M™ Scotchcal™ Graphic Film with Comply™ Adhesive IJ35C  
3M™ Scotchcal™ Graphic Film IJ35

## NO LIFTING. NO PEELING. NO WORRIES.

This calendared graphic film adheres strongly to flat, smooth surfaces making it reliable for the long haul. Affordably priced, it also boasts maximized reception of ink for color dense prints and Comply™ air release technology for easier installation. Create eye-catching applications for indoor and outdoor promotional graphics, signs, trade shows, POP displays and more.

With 3M™ Scotchcal™ Graphic Film IJ35 and 3M™ Scotchcal™ Graphic Film with Comply™ Adhesive IJ35C, you can find value that sticks.
